A large, abstract architectural rendering of a modern building complex. The structure features multiple curved, metallic, sail-like panels that rise from a low base. The background is a clear blue sky, and the foreground is a dark, reflective ground surface.

SVID Services

Complete Architectural & Structural Solutions

COMPANY PROFILE

www.svid.co.in

About Us

SVID Services is a leading structural and architectural design firm based in Kerala, India, with regional presence in Qatar and Saudi Arabia. We specialize in delivering precise, innovative, and sustainable design solutions across sectors — from architectural concepts to full structural and MEP support.

Our commitment to excellence is reflected in our wide array of services, integrating advanced tools like BIM and 3D rendering to help clients visualize, plan, and build effectively. With a team of experienced engineers, architects, and CAD professionals, we bring unmatched expertise to every stage of your project.

Vision and Mission

Vision

To be a global leader in architectural and structural design innovation.

Mission

To empower construction and engineering companies with detailed, cost-effective, and future-ready design support.
